Home-field advantage during American Professional Football League playoffs may come down to this game as the Iowa Blackhawks, visit the Wichita Aviators for the third time this season and the second in the past two weeks tonight at the Wichita Ice Center.

Iowa defeated Wichita on June 17, 50-47, in overtime to even their season series at 1-1.

Iowa (6-3) trail the Aviators (8-2) by a game and half going into the final stretch of the 2006 season. The winner of this game will likely secure the number two-seed and home-field advantage during the playoffs.
