

Blackhawks will be back at MAC

Published: Thursday, July 19, 2007 2:00 AM CDT

The Iowa Blackhawks and Mid-America Center have renewed an agreement confirming that the American Profession Football League team will return to the venue in 2008.

"I am very happy to be back and look forward to continued growth. We are excited to be home again," said Blackhawks general manager Jake Hiffernan.

The Iowa Blackhawks will travel to Topeka, Kan., this weekend to take on the Kansas Koyotes in the APFL Championship Game.

"We wish the team best of luck this weekend and hope there is a championship banner to hang at the Blackhawks' home opener in 2008," said Mid-America Center general manager Charlie Schilling.
