SEDALIA, Mo. – After a late interception of a Kyle Middleton pass, the Iowa Blackhawks grabbed a 41-30 win over the Mid-Missouri Outlaws in the rubber match between the two squads.

That win gives the Blackhawks the No. 2 seed in the upcoming American Professional Football League playoffs.

Iowa led 21-18 at the half and extended that lead to 41-24 early in the fourth quarter after a Mell Holliday one-yard touchdown run.

Middleton hit Moe Palepale for a five-yard score to pull his team within eleven but was hit and threw the ball up for grabs on the next possession. Iowa knelt out the clock shortly after.

The game had added significance for Iowa coach Mike Wolff. His uncle didn't make the trip after his father passed away, and he dedicated the victory to him.

Now, his uncle can watch the playoffs at the Mid-America Center.

"That win was for Uncle Teddy," Wolff said. "I didn't want him to have to travel again."

Iowa closes out its regular season next week with a game in Topeka, Kan. against the Kansas Koyotes.

"We're really starting to come together as a team," Wolff said. "It's been our goal to peak and play our best football in July. We're well on our way."
